- Worked on both editing and on-set productions, gaining hands-on experience in professional workflows
- Developed advanced editing and color grading skills through real client projects and professional feedback

Nick Roozing

Video Editor | Storyteller

Summary

Video Editor and storyteller with **4+ years** of experience working across documentary, YouTube, and branded content. I focus on shaping footage into clear, engaging stories through pacing, structure, and sound design. My work includes leading the edit on Air Crash Investigation's YouTube documentary series and contributing to videos reaching millions of viewers.

Education

Deltion College Zwolle

Vocational Education in Media Design (BOL)

Air Crash Investigation (200K+ subscribers) | 2023 - 2025

- Joined the project from the beginning and became the lead editor for the channel's documentary series
- Led the editing across storytelling, pacing, structure, and shot selection, while also supporting script development, thumbnails, and visual direction

MegaLag - Viral YouTube Video (19M+ views) | 2025

- Primary video editor on MegaLag's "Exposing the Honey Influencer Scam"
- Created the intro sequence and edited the majority of the video
- Focused on pacing, retention, and narrative flow

Filmmakers - Video Editor | 2022-2023

- Worked on both on-set productions and post-production editing for commercial projects
- Edited social media content for large-scale campaigns, including the SBS6 Christmas commercial
